INTEREST AND RELEVANT SKILLS/EXPERIENCE

Primary area of interest:
Requirements for your internship/fellowship (e.g., if your school requires certain standards to be in place for you to earn credit, if you are only interested in a paid internship, etc.) (attach details as a separate document if more room is needed):
Reason for selecting the Task Force for internship:
Please attach a letter of recommendation from a person familiar with your studies, research interests or previous work experience, as well as a CV or resume.

Required attachments include (1) CV or resume; (2) letter of recommendation; (3) any specific requirements for your internship.

The Task Force for Global Health works to reduce the burden of vaccine-preventable and neglected tropical diseases and strengthen health delivery systems by forging partnerships and applying innovation solutions to global health problems
